

CONGRATULATIONS

Javier A. Ramirez - the first recipient of the **MBJr Scholarship**.

Javier is scheduled to receive his Associates of Science Degree in Biology this summer and has been accepted into the STC Nursing Program for the fall 2010 semester. He is a member of the Phi Theta Kappa, International Honor Society and is on the STC Presidents Honor List. A father of two Javier has had to overcome many obstacles in his life, but has always known that education is the key that will help him prevail and triumph.

We look forward to more accomplishments from Javier and to his contributions to our community.
